Today in:

Children's Chapel- After reading the gospel lesson, the children learn that Jesus is a good shepherd who takes care of and loves His sheep. Who are His sheep? We are! Jesus shows His love for us every day. How has Jesus shown His love for you?

Weaving God's Promises (pre-K through 5th grade) – Today, the children learn about how the church being Christ's body on earth. What does that mean, that we, the church, are Christ's body? What does it mean that there are different parts in the body that do different things for Christ out in the world? If we some of us are ears, does that mean we're good listeners? If some of us are eyes, does that mean that we see things happening that maybe others don't see? How does Jesus use the gifts of the body, the church, out in the world?

Rite 13- (6th & 7th grades)-This is a 2 year class focusing on recognizing the gifts God has given us, celebrating our creative potential, and learning to interact as a community of faith. Students study scripture, engage in prayer, and enter discussion on a variety of topics which offer them tools for faithful living in our church community and in the wider world.

J2A (Journey to Adulthood)- (8th and 9th grades minimum, older students are welcome) Students study scripture, engage in prayer, and enter discussion in which they learn and practice six basic skills of adulthood: active listening, negotiation, assertion, research & information management, partnership and leadership.
