*Attention Parishioners:  
Fall/Winter Foyer Groups will be forming soon!  
Don't miss out!*

So, what exactly are *Foyer Groups*? The English word Foyer is derived from foier, the French term for hearthside and projects an image of warmth and comfort. For untold generations it has been customary for Americans to welcome old friends, family members and newcomers into our homes by gathering at the central hearthside to celebrate special occasions, to enjoy times of fellowship and share moments of camaraderie. In tune with this time-honored tradition of hospitality the Anglican Community has for many years encouraged the formation of small informal Parish gatherings called Foyer Groups.

Foyer Groups are a fun and easy way for parishioners to gather together on a regular but informal basis for purely social reasons – to enjoy one another's company, to strengthen bonds of community, to meet new members and just to get to know other people who share a common interest in Grace but with whom we might not otherwise interact. They provide a means to develop new friendships and deepen old ones.

There is no agenda or plan – just casual fellowship and a refreshing meal. Groups are made up of singles, couples, young people, retired folks, etc., in other words a cross section of the parish. Out of the meetings, friendships develop among people who might not have any other opportunity to meet and get to know each other. Newcomers are especially invited to join one of the groups at any time. Each small group of 7-9 adults will meet four times during Fall/Winter, beginning

in October and continuing through March, usually in the home of one of the members of the group. Generally, the host provides the main course while the other members fill in the rest of the meal such as appetizer, bread, salad,

veggies, dessert, etc. The main idea is for the gatherings to simply focus on Christian fellowship, a refreshing meal and relaxed conversation. **Sound interesting to you? Want to learn more about Foyer Groups? If so, keep your eyes and ears open to learn more about it in the next few weeks!**

**THANKS TO YOU** the ATLANTA HUMANE SOCIETY now has enough prescription pill bottles to last over a year. St. Peter's parishioners quickly collected more than 850 bottles for the AHS vet clinic. The collection has ended for this year. Thank you to everyone who participated.
