# **EXCITING SUNDAY SCHOOL NEWS FOR ADULTS & CHILDREN:**

**Want to know more about 'The Story?'**

What story? It's the whole wide, wonderful Story written in the pages of the Bible. Have you ever tried to read the Bible and then got lost in all the 'who begat who, thou shalt, and what land of the say-again-ites' are they talking about? Would you like to have a better understanding of the big picture that makes up the Biblical narrative? Then this is the Sunday School class for you!

This program year we are starting an exciting new Sunday School curriculum for everyone from adults to our older elementary school children\* and it's called The Story! This is a lesson series that takes us chronologically through the Biblical story of God and God's people in one seamless telling. It is a tool that offers a more comprehensive grasp of scripture in a format that allows entire families to learn the same lesson at the same time. The adult lessons make use of a user-friendly written text, group videos and discussion questions. The lessons for children include story books and activity sheets that offer our younger students a fun way to learn, and give our older elementary school students stimulating texts and power point resources to stimulate curiosity and spiritual growth. Each age group has their own narrative version of the Bible to read during the year.

The source of this curriculum is a book called The Story, which is a best-selling abridged chronological Bible. There are no verse references in the text, and the segments of scripture are woven together with transition texts which connect the storyline so it reads like an unbroken narrative. Each different Sunday School class receives their own book, appropriate for their age group. (Books will be on sale at the Sundaes for Sunday event). For people new to the Bible, this way of reading scripture reduces the intimidation one can feel when approaching the full-length unabridged Bible, and it gives them a holistic and sequential picture of the storyline of scripture. For seasoned Bible veterans, the chronological arrangement of the essential texts reveals the way the whole Bible fits together in a single grand narrative. Reading through The Story triggers interest and understanding, and encourages people to investigate the original Bible texts for further exploration.

There will be a limited number of books for *The Story* available for purchase at Sundaes for Sunday. **Checks only** please, written out to St. Peter's Episcopal Church (books are also available for order from Amazon and Barnes & Noble).
