Please keep our Stephen Minister trainees in prayer: **Hugh Bonner, Cynthia Burns, Babo Segars & Jackie Trammell.**

This week, they are covering “A Process Approach to Caring”, which provides the key understanding that the most effective caregiving happens when we focus on the *process* of care ~ not the *results* we hope to see.

The Stephen Ministers do not have to fix the care receiver’s problems; instead, they can continue providing the best possible care while relying on God to bring about the results.
