Dear People of St. Peter's:

The members of the Stewardship Committee are thrilled to share with you the news of the annual stewardship appeal. You have turned in 171 pledging units totaling \$769,594.00, which is an increase over last year's number, which was an increase over the previous year's number.

This means several things. First, we remain in strong financial health, and we will be able to continue to build on the great things we already do here at St. Peter's. A healthy stewardship campaign means a healthy budget for all ministries, from music, to formation, to buildings and grounds, to mission and outreach, to pastoral care and beyond. It also means the trust you place in one another is strong and is expressed in giving to a community in which we all belong. St. Peter's is a healthy place. But most of all, it reflects your relationship with God, and the trust you place in God, by giving back to God in abundance. Your giving reflects the spiritual health of St. Peter's. Thank you for being a part of that spiritual health. Well done!

The Vestry is in process of budgeting for 2024 and will continue to be good stewards of our resources. Thank you all for your trust and efforts.

On behalf of the committee...

Peace,

The Rev. John F. Herring

Sara Harbin Pickett

I give praise to you, the Light of the world,
