# Congratulations to our graduating Seniors....

**Madeline Claire Herring** was born in Winchester, Tennessee on October 24<sup>th</sup> 2005, only months after we moved to Sewanee TN. She has since lived in Decatur, GA and now Rome, which is truly her hometown, where she excelled as a student in every grade level at East Central Elementary, Rome Middle School and Rome High school. She has also been an active member of St. Peter's for the entirety of her time in Rome and has been recognized by peers and leaders as one with thoughtful insights about matters of faith. Throughout her time in Rome, Madeline has been active. She played soccer, participated in band, show choir, and various school clubs. She was also active at St. Peter's in children's programs, VBS, EYC, the nursery, and as an Acolyte. We are proud of the many ways she participated in so many activities and appreciate the how her schools and St. Peter's have helped form her.

Madeline has always been a loyal, kind, accepting, considerate, and generous friend. She has never been pushy or demanding of others and is always ready to lend a helping hand. She also has a keen sense of style and is great at thrifting. She loves a good dad joke, the beach, and road trips. She is also quite accomplished as a home baker. We have been fortunate to snack on a variety of cakes, cookies, and pies over the years, and she is prolific at producing banana bread. Madeline has also become an exercise enthusiast over the past couple of years. She has no problem throwing weights around at the Y and then jumping on the treadmill or running on one of the local trails. It's been a real joy for her parents to spend time working out with her! She is also thoroughly enjoyable to spend time with when sharing a meal, watching TV shows such as Survivor, or taking in a good Pixar film such as Ratatouille. We will miss all of these things every day.

Mostly, we will miss her presence in the house. We will miss our conversations with her and watching her continue to mature and grow in curiosity, intellect, and faith. But, we have all the confidence in the world in her abilities and cannot wait to see what will happen over the coming years, beginning with her time in her next hometown, Athens GA.

We love you Madeline and are proud of you! We hope you thoroughly enjoy your time at UGA.

# Congratulations to our graduating Seniors....

**Ava Belle Holcombe** is the daughter of Dr. and Mrs. Paul and Emily Holcombe. She attends Darlington School and will be attending Auburn University this fall. She plans to major in Interior Design!! She is grateful for her family and friends, EYC, Soccer, and the St. Peter's community, for believing in her, encouraging her, and providing a warm and loving experience. Her favorite memory from church is the day she had the honor of preaching on Youth Sunday, 2022. She is also extremely grateful for Cameron and Eli Jackson, for making EYC what it is, and for loving her so dearly.

**Mary Leonard Moss** born in Macon, GA on July 28th 2006. She was, according to the Dr. very feisty from the start as she was grabbing the bulb syringe from him as he was using it to clear her airways. This has always been Mary's way. To bypass anything she finds annoying, as she does not have time for that.

When her family moved to Rome, she attended Preschool at Rome First Methodist and then started Kindergarten at St. Mary's Catholic School. She thrived and started Rome Middle in the 7th grade. Already a gifted musician with 7 years of piano, she did not have 6th grade band experience and therefore started her school band career a year late. Since she was able to site read her music and memorize it quickly, she has been a valued member of the Rome High School Marching band and percussion ensemble.

She Loves to travel and wants to see the world and believes every home cooked meal comes from a 5-star Michelin Restaurant. A great advocate of any one she feels has been treated unfairly coupled with the ability to argue any point makes her parents and grandmother feel she is a natural born Lawyer. Especially since she does not care if she is arguing for the right reason, she just wants to win the argument. However, her plan at this time is to take core curriculum at Georgia Highlands and go to Aviation School to be an airline pilot.

# Congratulations to our graduating Seniors....

**Anthony Gabriel Natarella** is the son of Drs. Michael and Emily Natarella of Rome, Georgia. He and his two brothers, Alex and Joseph, attend Darlington School. Anthony plans to study chemical engineering at Georgia Tech this fall, where he hopes to pursue his interest in biofuel development. Anthony will spend his first semester participating at the First Year Semester Abroad program through Georgia Tech's satellite campus in Metz, France. Anthony runs track and cross country, specializing in middle distance races. In addition to sports, Anthony enjoys travel and language acquisition. He spent the past two summers in Spain developing his Spanish language skills. At Darlington, Anthony will be remembered for serving as vice chairman of the discipline committee, day prefect for Summerbelle house, president of Model UN, and he developed the Tiger Tutors program. In his free time, he plays the piano, loves Kung Fu Panda and Waffle House, and has an uncanny knack for solving a rubix cube. Anthony is greatly loved by friends and family, and we are all looking forward to seeing what new challenges and adventures his next phase of life will bring.

**Bennett Marcum Smyth** will graduate from Model High School on May 24th. He has committed to attending Warren Wilson College, Asheville, North Carolina. He received the Presidential Scholarship and will be on the WWC Swim Team. This summer, he will attend Camp Mikell for a couple of weeks, will be working, and training for the WWC Swim Team.
