Become a Stephen Minister

Becoming a Stephen Minister in our church is a life-transforming experience—an opportunity to serve God, help others, and grow in faith. Here's what it means to become a Stephen Minister.

What is Stephen Minister Training Like?

Stephen Minister training is an engaging, interactive experience that fully equips you to provide high-quality, Christ-centered care to people who are hurting. Your congregation's Stephen Leaders will use presentations, discussions, readings, videos, skill practices, and spiritual growth activities to equip and empower you with practical caregiving and relational skills. In addition, the training provides many opportunities for building Christian community and experiencing personal and spiritual growth.

Stephen Ministers often say that their training was life-transforming—helping them to grow in faith and learn relationship principles and skills that deepened and enhanced all the relationships in their life.

Want to know more? Attend our Stephen Ministry information session where we will focus on the process to become a Stephen Minister (care giver).
