Our teams of cooks who provide a meal to the homeless shelters are In need of some new volunteers. **It's a super easy gig.** One day a year (or more if you're so inclined) work with 2 other teammates who will each make (or buy) one big dish to serve 18 or so. Your team will plan and execute their own meal. Often one team member will deliver everything at dinnertime so that those who work or have other commitments can still participate without having to be available at a specific time.

We need you. Contact Diane Nance, 706.936.6006

They share your love and the love of God with their care receivers every week.

In addition, we are excited to inform you that we are starting a **new training class in January**. The selection process you have been hearing about is complete, and we will introduce you to the new group in January. Throughout their training we will be telling you about the topics they will be discussing and ask for your continued prayers as they do this intensive work to become prepared for their roles as commissioned Stephen Ministers.
